*School Photo Day at Pinnacle State School*

‘Country School Photos’ will be at our school to take class, portrait and sibling photos on Friday 5th August 2016.

- Each student is to bring their envelope to the photographer on photo day.
- Each student will be photographed in their class photo individually.
- Photo packages and prices are on the envelope. Payment can be made by cash, credit card ($1.00 transaction fee applies) or cheque.
- Sibling photo needs only to be ordered on your eldest child’s envelope.

As only a Whole of School photo will be taken, parents with more than one child may find the options below helpful.

- Child - $28 Photo Pack including Whole of School photo
- Child 2 and subsequent children - $18 Portrait Photos only (just cross out Photo Pack and write ‘Portrait only $18’ on envelope)

So, if a parent has 3 children they would pay $28 + $18 + $18 = $64

Sibling photo, if required, is separate again - $20

Tips for a better photo:
- Have your child practise their smile. Say ‘chooky’ or ‘monkey’.
- Breathe out and relax your shoulders. Have hair as tidy as possible and a clean and uniform.

Please contact Donna who will happily answer any questions you may have.

**Sporting Schools**

We have again received a grant from sporting schools for the term. We will begin after school sport within the next few weeks when the coach has been finalised.
Botanic Gardens Excursion

On the last day of term one we went for an excursion into the Botanic Gardens. Here we met Maya, who was a regular visitor at our school in term one teaching the students art. Maya organised for our student's artwork to be placed in the Lagoon Gallery for the public to see. Students were able to see their artwork on display and view all the artwork chosen to be displayed from the project. As an 'opening' for the art show, the café provided a morning tea with fruit kebabs and some chocolate clinkers. This was a wonderful experience, seeing the value in what they had created and sharing this with others. Maya is not only a great artist, but also works at the Botanic Gardens. After morning tea she gave us a guided tour of the gardens. We first went to the bungee jumping caterpillars, which were the favourites. Afterwards we went to explore the many plants and creatures within the botanic gardens. It was a lovely way to end the term.
