Medicine
A reminder that for students taking medicine at school we need a medical form filled out by a parent. The medicine cannot be over the counter, it must have a prescription sticker on the packaging with their name on it. We are unable to give students medicine such as Paracetamol at school. Students should not have any medicine in their bags to take themselves.

Art Project
Our art project is well underway with our artist in residence Maya Harrison. The students have been working with a range of materials to create artworks around the themes, home, family, community and the future. Consent forms have been sent home so these artworks can be used in the project and put up on display in different art spaces. If you have not yet done so, please return soon.

PERMISSION FORMS 2016
Please return completed Permission Form for 2016, State School Consent Form and Internet Access Agreement Form indicating whether permission is given or not, sign and return to the school office by Monday 22nd February.

Many thanks for your prompt attention to these forms as they are required to update your child’s records.
