We encourage you to follow the link below and complete a short, 20 minute survey. Your support and participation in this project is invaluable and will benefit parents and children across the country.

If your child is aged between 2 and 10 years, and you are worried about their behaviour or emotional adjustment, whether parents take part in such programs.

Researchers from the University of Queensland and the University of Western Australia are investigating perceptions of parenting support programs and what influences whether parents take part in such programs.
